Presents:

# HOW TO AIRBNB

Do you have extra rooms in your own home or a house, apartment or cabin sitting empty? Would you like to generate income from it? Airbnb could be the right fit for you. If you've heard about Airbnb and have been thinking about it but have no idea HOW to start, attend this workshop. We will review Airbnb and how it works, how to setup an account and property, operate, regulations and taxes, marketing and more. Local Airbnb operators will be available to offer advice. Make plans to join us!
